The Entrepreneur Development Cell (ED Cell) in association with the Department of Mathematics and Physics of Aiman College of Arts and Science for Women jointly organized a workshop titled **"Entrepreneurship and Innovation as a Career Opportunity."**The workshop was conducted on **9th September 2025 (Tuesday) at 10:00 a.m.** within the college premises. The main objective of the program was to create awareness among students about entrepreneurship as a viable career path and to encourage innovative thinking.The session was delivered by **Mr. A.H. Mohamed Imran**, Managing Partner of Synergy - Happy Skilling, Tiruchirappalli.

The resource person shared valuable insights on the fundamentals of entrepreneurship, the importance of innovation in today's competitive world, and the skills required to start and sustain a business.During the session, the speaker highlighted key aspects such as identifying business opportunities, risk management, leadership qualities, and the role of creativity in building successful ventures. Real-life examples and practical guidance were provided to help students understand the challenges and rewards of entrepreneurship.The workshop was highly interactive, with students actively participating in discussions and clarifying their doubts. The program motivated many students to consider entrepreneurship as a promising career option rather than relying solely on traditional employment paths.

The event concluded successfully under the guidance of **Dr. M. Munafur Hussaina, Principal**, who encouraged students to utilize such opportunities for their personal and professional growth. Overall, the workshop proved to be informative and inspiring, equipping students with knowledge and confidence to explore entrepreneurial ventures in the future.

## REPORT

The Entrepreneurship Development Cell (EDC) and Institution Innovation Council (IIC) of the college jointly organized a Self Help Group (SHG) Stall Show on 26th and 27th December 2025 at the college premises. The programme was conducted with the objective of promoting women empowerment, local entrepreneurship, and community-based product development.

The event showcased a variety of products prepared by Self Help Groups, including handmade items, food products, handicrafts, and eco-friendly goods. Students actively visited the stalls, interacted with the SHG members, and gained firsthand knowledge about entrepreneurship, rural development initiatives, marketing practices, and self-employment opportunities.

The stall show created awareness among students about the role of SHGs in economic development and encouraged them to support local entrepreneurs by purchasing their products. The programme also helped bridge the gap between academic learning and real-world entrepreneurial practices.

The event was well organized and successfully achieved its objectives. It received positive participation and appreciation from students, faculty members, and visitors, making it a meaningful initiative towards community engagement and entrepreneurial learning.
