Report of the Program

National Service Scheme (NSS) BHUMI & Unnat Bharat Abhiyan (UBA)

&

Red Ribbon Club

The Red Ribbon Club (RRC), in collaboration with the **National Service Scheme (NSS)** and **UBA** organized an awareness drive titled **"Donate Blood, Save Life"** with the objective of creating awareness about the importance o voluntary blood donation and its role in saving lives. The programme was conducted to educate students and community members about the need for safe blood, especially during medical emergencies, surgeries, and treatmen of chronic illnesses. The awareness drive aimed to motivate individuals to become regular voluntary blood donors and to dispel myths and fears associated with blood donation.

Faculty members and RRC student volunteers actively participated in the programme and delivered informative sessions highlighting the benefits of blood donation, eligibility criteria, and the simple and safe procedures involve in the donation process. Emphasis was laid on the fact that voluntary blood donation is a noble act that contributes

the well-being of society and helps save countless lives. The session also addressed common misconceptions relate to weakness, health risks, and age restrictions, thereby encouraging a positive attitude towards blood donation.

Interactive discussions were held, allowing participants to clarify their doubts and concerns. The active involvemer of RRC volunteers helped in effectively communicating the message and engaging the audience.

The awareness drive created a positive impact by increasing knowledge about blood donation and motivating participants to take social responsibility. Overall, the **RRC Awareness Drive: Donate Blood, Save Life** was successfully conducted and proved effective in promoting humanitarian values, encouraging voluntary blood donation, and strengthening the commitment of students towards community service.

5.	Place	: Inamkulathur
6.	Activity Type	: Awareness programme

The Red Ribbon Club (RRC) of AIMAN College of Arts and Science for Women, in association with Unnat Bharat Abhiyan (UBA) and National Service Scheme (NSS), organized a One-Day Outreach Programme on HIV/AIDS Awareness among Senior Citizens on 09.01.2026 at Inamkulathur, Tiruchirappalli. The programme started at 9.30 a.m. and was attended by 50 senior citizens.

The main aim of the programme was to create awareness about HIV/AIDS, explain methods of prevention, and remove myths and stigma related to the disease. Special attention was given to the mental health issues faced by elderly people and the importance of care and support for people living with HIV.

The programme was coordinated by Ms. S. Nafeesa Begam and Ms. A. Abinaya, who highlighted the importance of health awareness among senior citizens. The session included simple explanations on HIV/AIDS, its transmission, prevention, and the need for regular health check-ups.

Participants actively interacted during the programme and clarified their doubts. The session helped improve awareness and encouraged positive attitudes towards people affected by HIV/AIDS.

Overall, the outreach programme was successful in spreading awareness and promoting good health and well-being among senior citizens.

Report of the Program

National Service Scheme (NSS) BHUMI & Unnat Bharat Abhiyan (UBA)

&

Red Ribbon Club

The Red Ribbon Club (RRC), in collaboration with the **National Service Scheme (NSS)** and **UBA** organized a Community Outreach Programme on HIV & AIDS with the aim of creating awareness among community members regarding the transmission, prevention, and social aspects of HIV & AIDS. The programme was conducted to address the lack of awareness, prevailing myths, and social stigma associated with the disease.

Faculty members and trained RRC volunteers delivered an informative awareness talk explaining the meaning of HIV and AIDS, their causes, symptoms, modes of transmission, and preventive measures. Emphasis was laid on the importance of early diagnosis, regular testing, and timely treatment for effective management of the disease.

The session also highlighted the need to show empathy and avoid discrimination against People Living with HIV/AIDS (PLHIV), thereby promoting social responsibility and inclusive attitudes. Educational pamphlets were distributed to reinforce key messages, and interactive

discussions were held to clarify doubts raised by community members. A total of 50 students actively participated in the outreach programme and played a significant role in communicating health messages and engaging with the public.

The programme helped in improving awareness levels, correcting misconceptions, and encouraging safe and healthy practices within the community. Overall, the Community Outreach Programme on HIV & AIDS was successfully conducted and proved to be effective in spreading accurate information, reducing stigma, and strengthening the sense of social responsibility among students, thereby contributing to the goal of building a healthy and informed society.
