Report

1. Name of the Program : Inauguration of the Eco-Friendly Fashion Club
2. Date of the Program : 05.08.2026
3. Total No. of Students Participated : 70
4. Total No. of Staff Participated : 04
5. Staff Coordinators : Ms. K. Nandhini and Ms. S. Priyadharshini
6. Place : Trichy
7. Activity Type : Awareness Seminar

A one-day Club Inauguration and Awareness Seminar titled "Sustainable Fashion for a Better Future" was organized by the Department of Apparel and Fashion Technology, AIMAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN, K. Sathanur, Trichy – 620 021, Tamil Nadu, on 05 August 2026 (Wednesday) at 11.00 a.m. in the Seminar Hall.

The programme marked the inauguration of the Eco-Friendly Fashion Club, which was established with the objective of creating awareness among students about sustainable fashion practices and encouraging them to adopt environmentally responsible approaches in the field of fashion and textiles. The programme was graced by Prof. N. Murugeswari, Dean, Faculty of Arts and Professor, Department of Women's Studies, Bharathidasan University, Tiruchirappalli, as the Chief Guest. She formally inaugurated the Eco-Friendly Fashion Club and delivered an insightful keynote session on "Sustainable Fashion for a Better Future."

As part of the inauguration ceremony, the official logo of the Eco-Friendly Fashion Club was formally launched by the Chief Guest, Prof. N. Murugeswari. The launch of the club logo marked a significant milestone in establishing the identity and vision of the club. The logo represents the club's commitment to promoting eco-friendly practices, sustainable fashion, environmental responsibility, creativity, and innovation among students.

Programme Outcomes and Learning

The programme provided students with valuable knowledge and awareness about sustainable fashion and environmentally responsible practices. The key outcomes and learning gained from the programme are as follows:

- Gained awareness of sustainable and eco-friendly fashion practices.
- Understood the importance of recycling, upcycling, and reducing textile waste.
- Developed an interest in creative and innovative sustainable fashion solutions.
- Were encouraged to adopt environmentally responsible practices.
- Were motivated to actively participate in Eco-Friendly Fashion Club activities.
- Students were encouraged to incorporate sustainable practices into their academic projects, future careers, and daily lives.
- Students were encouraged to contribute towards environmental protection and the Sustainable Development Goals (SDGs), particularly SDG 12 – Responsible Consumption and Production.

The programme was coordinated by Ms. K. Nandhini and Ms. S. Priyadharshini, Department of Apparel and Fashion Technology, with the active participation of 70 students. The event successfully created awareness and enthusiasm among the students and served as an important step towards promoting sustainable fashion, environmental responsibility, creativity, and innovation for a better future.

A one-day exhibition titled **"Cotton and Fabric Museum – From Fibre to Fashion"** was organised by the Eco-Friendly Fashion Club of the Department of Apparel and Fashion Technology, AIMAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN, K. Sathanur, Trichy – 620 021, Tamil Nadu, on 7 October 2026 at 10.00 a.m. in the College as part of the World Cotton Day celebration. The exhibition featured **Mrs. R. Jeevitha, M.Sc., Yajina Aari Designer**, as the resource person. She shared her knowledge and professional expertise on cotton and its significance in the textile and fashion industries.

The exhibition was organised with the objective of creating awareness about the significance of cotton as a natural textile fibre, its processing from raw fibre to finished fabric, and its diverse applications in the textile and apparel industries. The event provided a platform for students to demonstrate their technical knowledge, creativity, and practical skills through cotton-related exhibits and innovative displays.

A major highlight of the exhibition was a student-developed model demonstrating the step-by-step conversion of cotton fibre into fabric. Students also showcased cotton-based garments and

creative textile products, highlighting cotton's versatility and applications in sustainable fashion. The exhibition promoted awareness of natural fibres, responsible textile practices, and sustainability while encouraging students' creativity, innovation, and practical learning.

Programme Outcomes and Learning

The exhibition provided students with valuable knowledge and practical exposure to cotton processing, textile manufacturing, garment designing, and sustainable fashion practices. The key outcomes and learning gained from the programme are as follows:

- Gained awareness of the importance, properties, and applications of cotton as a natural textile fibre.
- Understood the step-by-step process of converting raw cotton fibre into yarn, fabric, and finished garments.
- Acquired knowledge of various stages of cotton processing and fabric manufacturing through student-developed models.
- Explored the applications of cotton fabrics in garment designing, traditional Aari embroidery, and textile embellishment.
- Enhanced creativity, innovation, and practical skills through cotton-related exhibits and textile displays.
- Developed presentation, communication, teamwork, and technical explanation skills through active participation in the exhibition.
- Understood the importance of sustainable fashion, responsible textile consumption, and the effective use of natural fibres.
- Created awareness about reducing textile waste and adopting environmentally responsible practices in the fashion industry.

The exhibition successfully encouraged experiential learning, creative exploration, and environmental awareness among students. It provided an opportunity to connect theoretical knowledge with practical applications and strengthened the role of the Eco-Friendly Fashion Club in promoting sustainable practices in the textile and apparel industries.
