REPORT ON

SAVE WATER - YOUTH RED CROSS

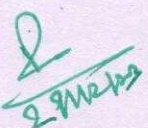

Youth Red Cross, AIMAN College of Arts & Science for Women organized " **Save Water - Awareness Programme**" on 22.12.2023. This programme was initiated to save water by conserving water. Conserving refers to preserving or controlling the usage of water. Some conservative action would take by our Volunteers from AIMAN College's YRC Unit took care of as followings: They ensured the taps were closed when it was not in use. They also checked for any openings or leaks in water distribution pipes. They volunteered to check whether water from any of the tanks were overflowing.

In addition, they were informed that the students to conserve water in the college surroundings and in their homes. The volunteers advised that the students to enclose the taps completely as they found water was dripping in most of the taps. As this could be a great preventive measure to conserve water. Take this initiative was taken. Dr. K. Kalpana, Head & Assistant Professor of AIMAN College, and Mrs. G. Kaleeswari, Assistant Professor of Nutrition and Dietetics at AIMAN College, Trichy, looked over the program's coordination and facilitation. Volunteers from AIMAN College's YRC Unit participated in this programme actively.

YRC Volunteers explain the water conservation
