Report on

TRICHY - BOOK FAIR 2023

The District Administration of Trichy organized a grand Book Fair at St Joseph 's Higher Secondary School, Trichy from 24th November - 4th December 2023. The Book fair was inaugurated by The School Education Minister, Anbil Mahesh Poyyamozhi. Book Club and Our college library incharges visited the book festival along with 100 students on 30th November 2023. Around 150 publishers have exhibited their book at 160 stalls established on the school ground. Every book in the stalls was offered with ten percent discount. Our students were mesmerized by the sight of countless books in the stalls.

There were books on every topic from science to fiction to history. It was a paradise for anyone who loves to read. Our students explored all the stalls and bought their favourite books. In addition to buying books there were also many interesting literary events taking place throughout the day. The Tamil Nadu Science Forum organized various events to promote science and education among school and college students. The visit to Book Fair was an enriching experience with a stack of new books, new insights on different subjects and a renewed passion for reading.
