LIBRARY TOUR

Book Club in collaboration with library of our college organized a Library Visit to the prestigious and renowned Kalaingar Centenary Library, Madurai along with 26 students accompanied by Book Club and Library Incharges of our college on 18th October 2023. The Kalaingar Centenary Library has been built as a mark of respect for Kalaingar, Tamil Writers and Tamil Language. The Library has a six-storeyed building with a built-up area of 2.13 lakh square feet. The ground floor includes a section named 'Kalaingar Pirivu' that showcases the works of Karunanidhi. The section also contains books on history and evolution of the Dravidian and self-respect movements. Additionally, there is a special gallery featuring pictures and paintings of the colonial Madurai, the former capital of Pandya Kingdom. The first floor houses Artist Section, Children's Performance theatre, Children's Library and Science equipments. The second floor is a site for Tamil lovers which contains 90000 Tamil books. The third floor contains literature books from classics to modern. The fourth floor houses various disciplines for competitive candidates. The fifth floor has rare books, e-library, audio book studio and photo card games. The six floor includes English books, bibliography preparation, library administration and book purchase. Our students enjoyed the library visit and admired the features of library. The trip was useful to the students to learn and expand knowledge and develop the reading habits.
