INSTITUTION INNOVATION COUNCIL OF AIMAN & YOUTH ExNoRa INTERNATIONAL

WORLD EARTH DAY

World Earth Day is celebrated on 22nd April each year to spread awareness about conserving earth. The program started at 10 am with a speech given by the head of the ExNoRa club on how we should conserve our Earth and Mother Nature. We should try and plant trees, keep wet waste separate in order to make way for easy decomposition. We should try to implement the rule of 3 R's that is 're – use, re – cycle and reduce'.

The main motto of **YOUTH ExNoRa** is to create and protect our environment by creating awareness to people. To celebrate World Earth Day, AIMA Student ExNoRa conducted competitions like **POSTER MAKING and SPEECH** under the theme “**SAVE EARTH SAVE FUTURE**”. Students actively participated in the competition, won certificates of appreciation and participation.

At the end of the program, all pledged to do as much as possible and produce less waste and preserve the earth for the future generation.

Happy Earth Day

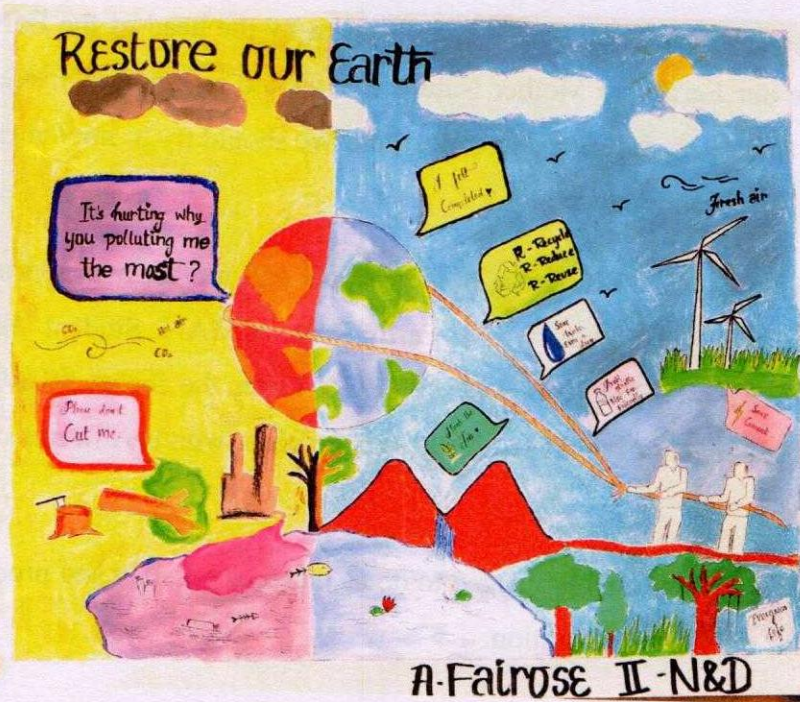

Save Water

Save Nature
