UNNAT BHARAT ABHIYAN & YOUTH EXNORA INTERNATIONAL
Report on
TREE PLANTATION

Youth Exnora International, AIMAN College of Arts and Science for Women, conducted a Tree Plantation on **16.10.2023**, at **Ariyavur Village**. It was organized by Exnora Advisor along with student volunteers of our college. Under the guidance of program advisors, the volunteers planted more than 10 plants. The message of plantation was the future generation will enjoy mother Earth resources and privileges if we plant and save trees in the environment.

Finally, The Program Advisor suggested that every student should at least plant one sapling per month as it will help the world fight against global warming. Our students understood that trees make the environment clean and provide us with oxygen. They are necessary for elixir of life.
