

**AIMAN College of Arts and Science for Women,  
K.Sathaur, Trichy**

**WASTE MANAGEMENT**

**Solid waste management:**

- Dust bins are provided in the campus to keep campus clean, neat and tidy.
- Awareness on segregation of waste is created Degradable, Non-Degradable dust bins are used.
- Transport arrangements are made for solid waste management.
- Compost arrangements are also made to covert solid waste into fertiliser/manure. Vermi Compost unit has been established within the college campus.
- The waste materials that are collected in the campus dumped into the vermin compost unit to convert it into fertilizer, is used for the purpose of gardening in the campus.

**Liquid waste management:**

- Practical labs like chemistry have taken measures to ensure that all the chemicals are diluted before discarding in wash basin.
- Glassware used in the laboratory is washed and rinsed with least quantity of water and placed in the liquid waste container.
- The liquid waste of the Nutrition and Dietetics laboratories are segregated into organic and inorganic waste.

**E-waste management:**

- Awareness programmes are initiated on e-waste management All e-waste is disposed to the corporation
- The non functional computers, equipments and its peripherals are safely disposed The cartridge of laser printer is refilled outside the college campus
- UPS batteries are recharged / repaired/ exchanged by the suppliers
- Waste compact disk is used by the students for decoration and participation in competitions The low configured computers are donated to nearby schools
