

REPORT ON AN OLD AGE HOME VISIT BY YRC

The world senior citizens day is celebrated on 21st August of every year. Youth Red Cross(YRC) unit of AIMAN College of Arts and Science for women, Trichy visited an Old age Home " Lubra Blind and Disabled welfare Centre" near Airport, Trichy on 21st August 2019. The programme started with a prayer by one of the old woman, who has been living that home. The Managing Director of the home, Mr.Thomas gave welcome address.

Our visit there was an unforgettable lesson. There we learnt more about true life, sharing and caring. There are 180 inmates in the home. YRC students interacted with them. They shared their feelings with our students. All of them were lonely and longing for love and affections. They shared their sadness and personal stories with us. Our students' presence of words of comfort soothed the hearts of the senior citizens.

Lunch was served by our students. The YRC co-ordinator Ms. Sumathi thanked the Managing Director, who gave an opportunity to share our love. The YRC members learnt to share their love as they empathized with the inmates of the home. They felt that their need of the aging group should be addressed by them as they serve the community.

Principal 2/8/19.
