

## **REGULAR ACTIVITIES OF RRC**

### **RED RIBBON CLUB**

Students from RRC were taken to *Ponnampatti A model Village in, Thuvankurichi* Block on 24<sup>th</sup> of September 2017. They learnt the importance of *less waste disposal* in landfills as well as recycling of products which naturally is better for the environment as a whole. The most *important* reason for *waste collection* is the protection of the environment and the health of the population. They learnt how to prepare Organic Fertilizers on their own. The trip benefitted students and students zealously participated in it.

The Red Ribbon Club is a voluntary on-campus intervention program for students in educational institutions. RRC of AIMAN College of Arts & Science for Women organised a guest lecture on 7<sup>th</sup> of March 2018 on the topic "HYGIENE & AIDS AWARENESS. The chief guest of the day was K.PriyaDharshini, Social worker, District child protection unit, Trichy delivered a lecture on how cleanliness plays an important role in keeping oneself healthy to lead hazard & disease free life. She also spoke on the Hygiene that has to be maintained by women during Menstrual Cycle. More than 80 students participated and were benefitted.
