Aiman College of Arts and Science for Women, planned to visit the planetarium on 10.10.2022, at **Anna Science Planetarium**, Trichy. Our students from I BA along with their teachers visited the planetarium. First, we went to the Sky Theatre Show, which shows the sky on the dome as seen by naked eyes. We also saw the 3D Theatre at the planetarium. It encompasses mysteries of the universe and life of our planet. The students visited the museum where they saw different models which depict various scientific facts like water cycle, the nitrogen cycle and depletion of the Earth's resources. It was a great opportunity to learn more about the planets, stars and other interesting astronomy facts and various elements of the universe shown in the planetarium. The planetarium visit aligns with the academic goals and curriculum of the students' courses.

ANNA SCIENCE CENTRE-PLANETARIUM, TRICHY

Name of the Program : FIELD TRIP
Classes Participated : I-Year BBA
Total Student Strength : 41
Place : Anna Science Centre – Planetarium, Trichy
Date : 10.10.2022

The one day field trip to “Anna Science Centre - Planetarium, Trichy” on 10th October, 2022 by I year UG - BBA students from AIMAN College of Arts & Science for Women, There are 41 students participated along with the faculty member of the department Mrs.P.Anne Rabecca

The planetarium is divided into the two main parts- the sky theatre and the Exhibition Hall. The students watched the movie “Our Universe”. As the lights dimmed and the journey through the stars began, the excitement among the students was overwhelming. The skies came alive on the massive dome theatre. The show was extremely good and provided a good visual experience as well as factual knowledge of astronomy. The trip proved to be an enjoyable learning experience for the students.

Later students played in the park for some time, shared food among each other. It was a very fruitful and enlightening trip that set many young minds aspiring to know about astronomy as a subject and learn more about the intriguing outer space. It gives very informative knowledge about the Universe in a scientific manner.

Report on

“FIELD TRIP -2023”

Date: 10.10.2022

Timing: 9.30am to 1.00 pm

Class: I BCom

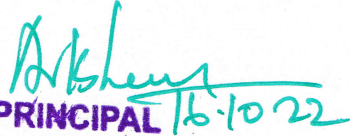

Place: Anna Science Centre Planetarium

No of Students: 61

A Report on “**FIELD TRIP -2022**” was organized by AIMAN College of Arts & Science for Women at Anna Science centre Planetarium on 10.10.2022. The purpose of the field trip is usually observation for education, non-experimental research or to provide students with experiences outside their everyday activities, such as going camping with teachers and their classmates. Students tend to make lifelong friends and memories not only with their peers but also with new people and places.

We went to herbal Garden around the planetarium which provides an opportunity to visit us to learn some elements of science in natural and playful manner. Next we entered the sky theatre show that projectors project the sky on the DOME as seen by naked eyes. The sky so is conducted every day. There is a great opportunity to learn about Planets, Stars and other interesting facts. Various elements of universe, such as comets, meteors, the cosmos and the eclipses are shown here.

Later students played in the park for some time, shared food among each other. On the whole it was exciting and amusing study trip for the students. They also shared their experience of having watched the 3D show on Animations. It gives very informative knowledge about the Universe.
