LIBRARY ORIENTATION PROGRAM

Every year we are conducting library orientation program for all first years. This program is very useful to give about an overview of library history, library services, library e-resource services and what are the library facilities & library activities to the new entrants.

On 26th August 2022, the Librarian Mrs. S. Jancy briefed the students about the facilities and resources offered by the college. She explained about the library services, library collections like department wise books, non-book materials, projects competitive examination books and e-resources. She informed about the library rules that should be followed by the students for smooth functioning of the library.

She showed the students a video on the library circulation process & all previous year library activities of our college library. The book bank scheme of the library for intellectually gifted and economically poor students was informed to the students. Our college offers to students "EARN WHILE LEARN" scheme for the benefit of students. All students are encouraged to take advantage of these facilities.
