EXTENSION SERVICES– VISIT TO A BOOK FAIR

Venue: St. Joseph Higher Secondary School, Trichy

Date: 30.11.2023

Organized by: Joint Director, Collegiate Education, Trichy.

INTRODUCTION

This book exhibition was organized by the Joint Director, Collegiate Education. The District's biggest book fair was held in St. Joseph Higher secondary school, Trichy premises on the occasion of 23rd November to 4th December in the year of 2023. The book fair was inaugurated by the education minister amazingly. The whole area had a festive appearance. There were a lot of book stalls which were decorated beautifully. Every stall book was full of different kinds of books. Novels, science fictions, story books, religious books and children's books are among the number of available there. Books on the liberation war of Thiruchirappalli were also the attraction of the fair.

EXTENSION ACTIVITIES REPORT:

Our college Library and Book Club together took 100 students to see this wonderful book exhibition. Teachers spoke to the students about the use and importance of books. Our students enthusiastically participated in the book festival and explored each book section and bought their own wanted books. This book festival presented itself as a place to quench the hunger of the ears and the stomach. Our students and teachers also benefited greatly from this.

CONCLUSION

Thousands of book lovers came to the fair and bought their favorite book. There was a food corner in the fair. The tired visitors could easily get relief by taking food and spending some time there. The overall arrangement of the book fair was very enjoyable. The feedback given to us by all the students, this book fair was beneficial for us and our future. The students told us we had spent time there.
