“Library Tour”

Venue: Madurai

Date: 18.10.2023

A Library visit was organized by the Book Club in Collaboration with the Library of Aiman College, Aiman College of Arts and Science for Women from 18 October 2023 for the students. The one-day tour started with a word of prayer. Our group of 26 students accompanied by four staff left Aiman College, Trichy at 8:45 a.m. and we reached Madurai Kalaingar Library by bus at noon.

The Madurai Kalaingar Centenary Library (MKCL), a state-of-the-art library was inaugurated on July 15, 2023, on the occasion of the 100th birth anniversary of the former Chief Minister of Tamil Nadu Dr. M. Kalaingar Karunanidhi popularly called ‘Kalaingar’. Because of his great interest towards the books and library, this library was named as ‘Kalaingar Centenary Library’.

The centralized air-conditioned library encompassed ground and six floors. At present, it hosts three and a half lakh books covering a wide range of subjects to serve the information needs of the public, academic and corporate communities. MKCL had a Braille Section, Own Books Reading Section, Children Section, Periodicals and Newspapers Section, Tamil books Section and English Books Section. The library was one of the best libraries ever.

After reaching the library, Dr. S. Kanaga Sundari, the Librarian took permission from the presidency officer, there and took the students. our faculty (Dr. S. Kanaga Sundari, Ms. S.

Sharmila, Mrs A. Kokila and Mrs Juwahar Nisha) explained to the students in detail about the resources and sections available and what the benefits are.

The Kalaingar library has a total number of six floors. On the ground floor, the excavation records and collected and its historical notes are also collected. This floor also included a physically challenged person section.

On the next floor, the (first floor) software is designed as if you are talking directly with the late Dr. M. Kalaingar Karunanidhi. It impressed the audience. This section also includes children's sections designed where children can learn through play and created a section to encourage children's science development and scientific research.

The second floor is the site for Tamil lovers. This site contains over 90000 Tamil books. All types of Tamil books useful for Tamil researchers and periodical sections are also included.

The third floor arranges the literature books, including fiction, drama poetry, texts and translations. In addition, it's which also contains world classics in literature such as tansy, action and adventure, crime a mystery.

On the fourth floor Research and general section floor. These floors have commerce, economics, science medical and history books etc. It's also available competitive examination books with useful for future carries.

The fifth floor is the audience's floor. Here they are equipped with modern software so that they can easily understand and learn the subjects.

The sixth floor is the e-resource section. Here more than 15000 books have been digitized for oral teaching.

CONCLUSION OF THE LIBRARY TOUR:

On the whole, the visit was a huge success. We were amazed to find such a wonderful reading centre where all the students were given excellent facilities. The tour was also helpful to know about the operative functioning of each department or institution's library in detail. It was very helpful to develop the research ability of the students. We have also collected the feedback from the students.
