**Subject:** Request for Sponsorship – Two-Day International Conference on “Knowledge Management, Smart Education & Human Performance Sciences (MCKSHPS 2026)”

**Respected Sir/Madam,**

Greetings from AIMAN College of Arts and Science for Women.

The IIC, IQAC, ARDC, and the Departments of Library, Physical Education & PG Department of Computer Science of AIMAN College of Arts and Science for Women are jointly organizing a **Two-Day International Conference on “Knowledge Management, Smart Education & Human Performance Sciences (MCKSHPS 2026)”** scheduled to be held on **10th and 11th February 2026** at the AIMAN Conference Hall.

The conference aims to bring together academicians, researchers, industry experts, and scholars from various disciplines to deliberate on emerging trends in knowledge management, innovative educational technologies, smart learning ecosystems, and human performance enhancement. The event will include keynote sessions, paper presentations, panel discussions, and interactive workshops.

We expect participation from national and international delegates, which will greatly enhance academic collaboration and research networking. To ensure the successful organization of this prestigious academic event, we seek financial support/sponsorship from your esteemed organization.

The estimated budget covers:

- Conference materials and publications (Proceedings with ISBN)
- Certificates and mementos

We believe that your support will significantly contribute to the success of this international academic endeavor. In return, we assure prominent acknowledgment of your organization's sponsorship in all conference materials, banners, brochures, proceedings, and social media promotions.

We kindly request you to consider sanctioning financial assistance for the smooth conduct of the conference. We shall be pleased to provide any further details required.

Thanking you in anticipation of your positive response.

  
Yours sincerely,

The Two-Day International Multidisciplinary Conference on “*Knowledge Management, Smart Education and Human Performance Sciences (MCKSHPS 2026)*” was successfully organized on 10th and 11th February 2026 at AIMAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN, Trichy. The conference aimed to provide a dynamic academic platform for scholars, researchers, academicians, and students to exchange ideas and explore emerging trends in knowledge management, smart education, and human performance sciences.

The inaugural session commenced with a prayer, followed by Tamil Thai Vazhthu. The dignitaries formally welcomed the gathering and outlined the objectives and scope of the conference. The inaugural address emphasized the importance of interdisciplinary research, digital knowledge systems, and innovative educational strategies in shaping future academic ecosystems. The keynote address delivered by Dr. S. Srinivasaragavan, Senior Professor and Head & Chair, Department of Library and Information Science, Former Controller of Examinations, Bharathidasan University, Trichy, offered profound insights into research quality, academic integrity, and knowledge transformation in the digital era.

The first day also featured invited talks by eminent speakers including Ms. Suguna Ganesan, Dr. A. Praveen, and Dr. R. Tharaniya Sairaj, whose presentations enriched participants with

diverse scholarly perspectives on smart learning environments, sports sciences, and technological advancements in education.

The conference received an overwhelming academic response, with a total of 150 research papers submitted from various institutions. After a thorough peer-review and plagiarism screening process, 112 papers were accepted for presentation, while 38 papers were rejected due to plagiarism exceeding 20 percent. This rigorous evaluation process ensured adherence to high standards of research ethics and academic excellence.

The second day was dedicated to technical paper presentation sessions conducted in a hybrid format. Session 1 and Session 2 were organized simultaneously in both online and offline modes. The Seminar Hall hosted two sessions exclusively in offline mode, while the IQAC Hall facilitated two sessions exclusively in online mode. This parallel arrangement ensured smooth coordination and wider participation. The sessions were chaired by distinguished academicians who provided valuable feedback and scholarly guidance to the presenters.

The research presentations covered diverse themes including knowledge management frameworks, smart education technologies, environmental sustainability, digital transformation, performance analytics, and interdisciplinary innovations. The interactive discussions fostered intellectual engagement and collaborative academic exchange.

Following the technical sessions and lunch break, the Valediction Function was conducted in a dignified manner. During this session, certificates were distributed to the Chairpersons, members of the Organising Committee, Advisory Committee, Editors, Associate Editors, Language Reviewers, Paper Presenters, and Participants in recognition of their valuable contributions to the success of the conference. The collective efforts of these individuals ensured the smooth planning, execution, and academic quality of the event.

A highlight of the valedictory ceremony was the presentation of the **Best Paper Award**, which recognized outstanding research contribution, originality, methodological rigor, and relevance to the conference theme. The award served as an encouragement for scholarly excellence and innovative research.

The valedictory address emphasized the importance of continuous research engagement, ethical scholarship, and collaborative academic networking. The conference concluded with a formal vote of thanks expressing gratitude to the management, speakers, session chairs, organizing team, and participants for their wholehearted support and cooperation, followed by the National Anthem.

### Participants' Feedback, Suggestions and Comments

The feedback received from participants, presenters, session chairs, and delegates was overwhelmingly positive and encouraging. The majority of respondents appreciated the systematic organization of the conference, the punctuality maintained throughout the sessions, and the effective coordination of both online and offline modes. Participants particularly commended the hybrid format, which enabled wider academic participation and ensured accessibility for scholars from different geographical regions.

Many participants expressed their satisfaction with the quality of the keynote addresses and invited talks, noting that the resource persons delivered insightful and thought-provoking presentations aligned with contemporary academic and research trends. The technical sessions were appreciated for their smooth execution, disciplined time management, and constructive feedback provided by the chairpersons. Presenters acknowledged that the scholarly discussions enhanced their research perspectives and provided valuable suggestions for further refinement of their work.

The rigorous plagiarism screening process and peer-review mechanism were also positively recognized, as they reflected the institution's commitment to maintaining high academic and ethical standards. Participants felt that this strengthened the credibility and scholarly value of the conference proceedings.

Several constructive suggestions were also offered for future conferences. Some participants recommended increasing the duration of technical sessions to allow more time for discussion and interaction. A few suggested incorporating panel discussions, workshops, or hands-on training sessions related to research methodology, publication ethics, and emerging digital tools. Others proposed expanding international collaborations and inviting more global speakers to further enhance the interdisciplinary scope of the event.

Participants also suggested publishing selected high-quality papers in indexed journals or edited volumes to provide greater research visibility. Additionally, feedback indicated interest in conducting such conferences annually to sustain academic engagement and research networking.

Overall, the comments received highlighted that the conference was intellectually enriching, professionally beneficial, and well-coordinated. The positive feedback and constructive suggestions will serve as valuable guidance for organizing future academic events with even greater impact and excellence.

Dr. A. Praveen

I am Dr. A. Praveen, a seasoned academic and sports education professional with over two decades of experience in physical education, sports science, and coaching. As a Professor in the Department of Physical Education and Sports & Deputy Director of Sports at Pondicherry University since 2011, I have made significant contributions to sports research, training, and development at national and international levels.

I hold a Ph.D. in Physical Education from Tamil Nadu Physical Education and Sports University, with my doctoral research focused on the construction of skill tests and norms for college-level soccer players. Additionally, I hold an M.Phil., an M.P.Ed., an MBA, and a postgraduate diploma in sports management. A UGC-NET qualification in Physical Education complements my academic background.

My career spans various teaching and administrative roles, including prior appointments at Tamil Nadu Physical Education and Sports University and Visva-Bharati University. My core teaching and research interests lie in sports training, exercise physiology, research methodology, football coaching, and athletics. I had supervised numerous M.Phil. and 14 Ph.D. Scholars and completed a major ICSSR-funded research project on health and socio-economic conditions of marginalized students in Tamil Nadu.

In sports coaching, holds the prestigious AFC "B" License and has completed specialized training from the Sports Authority of India. As a football coach, he has served as the head coach of the Pondicherry Santosh Trophy team and was a selector for the Indian U-19 Football Team for the 2017 World Cup. His personal athletic achievements include representing Alagappa University and Tamil Nadu State in football and athletics at the national level.

I am a prolific researcher, having authored over 65 peer-reviewed journal articles and presented numerous papers at international and national conferences. I have also published two books and contributed chapters on sports analytics. I have been invited as a resource person and chair at various seminars and international conferences in countries like the Philippines, Malaysia, and Thailand.

A strong advocate for scientific sports coaching and education played multiple roles beyond teaching as a sports board member, editorial board member, and expert committee adviser for organizations such as the Staff Selection Commission and Kashmir Public Service Commission. I am also a life member of several professional bodies, including the Pan Asia Society of Sports and Physical Education and the Indian Federation of Computer Science in Sports.

Recognized for my dedication, I received the Best Teacher Merit Certificate from Pondicherry University in 2014. I continue contributing to the university's sports excellence as a coach and manager for football and
