4. Session Highlights

- Overview of IPR and its importance in higher education.
- Patent search techniques and prior art search demonstration.
- Process of filing patents in India.
- Role of IPR in startups and entrepreneurship.
- Introduction to IP Clinics and institutional support mechanisms.
- Interactive Q&A session with participants.

The session was highly interactive, and students actively engaged in discussions related to startup ideas and innovation protection.

5. Participation Details (Mandated Data)

Particulars	Details
Total No. of Participants	150
No. of Students	130
No. of Faculty Members	20

6. Key Outputs / Measurable Parameters

- Increased awareness of IPR among participants.
- 40 students expressed interest in patent filing guidance.
- 25 innovative ideas identified for further mentoring.
- Formation/Strengthening of Innovation Support Group in the Library.
- Proposal initiated for conducting a Patent Filing Drive.

7. Queries Raised by Staff & Students

During the interaction session, participants raised several important queries:

- What are the basic eligibility criteria for filing a patent?
- How long does the patent registration process take in India?
- What is the cost involved in filing a patent for students?
- Can a group of students jointly apply for a patent?
- How can startups protect their brand name and logo?
- What support does the institution provide for patent filing?
- Is prior publication of research allowed before patent filing?

The resource persons clarified all queries with practical examples and guided students on the importance of confidentiality before patent filing.
