Report on Students Induction Program

The Internal Quality Assurance Cell and PG Department of English, AIMAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN jointly organised the Students Induction Program for the I year students on 08.07.2024. The Principal of the college, Dr. B. Vani, extended a warm welcome. In her speech, she listed the highlights of the college which includes experienced faculty members, ICT enabled classrooms, hostel infrastructure, digitalized library and the importance given to curricular, co-curricular and extra-curricular activities. She quoted how the vision of the college "Education to Women, Education to Society" meets the views of the great visionary poet Mahakavi Subramaniya Bharathi who once said "பட்டங்கள் ஆள்வதும் சட்டங்கள் செய்வதும் பாரினில் பெண்கள் நடத்த வந்தோம்.". She insisted on the need to focus on the right choice under right guidance to achieve success in the new phase the students are entering into.

It was followed by the Presidential address delivered by Kazi Dr. A. M. M. Kader Bux Husain Siddiqi, President of the college. He thanked the parents for choosing AIMAN and elaborated on the history of the institution and on how the committee members of the college management worked hard in building the institution. Further, he underscored the need for adaptation and transformation into unique individuals. He also assured that the college would provide the room required for such transformation. He added that utilizing the available resources, acquiring the right knowledge, being with the right people and getting acknowledged for the right deeds would enable one attain success.

After his speech, the chief guest of the day, the daughter of Janab. K. Syed Jagubar - one of the founders of AIMAN, Ms. Fathima Sameeha Jaffar, deliberated on how the founders envisioned the academic and personal excellence of women through education. She mentioned that the legacy of the founders are carried forward by the proud alumnae of AIMAN. She reminisced about her days in college and pointed out that college is a place where one could discover who and what one is. She asked the students to participate in events and to see every challenge as an opportunity to learn. She concluded her address by saying that AIMAN is a place where every student can find their path to success.

During his address, Janab M. Y. Habibullah, the General Secretary and Correspondent of the college, expressed his happiness in welcoming the new faces. He said that the age between 15 and 25 is full of both trials and happiness, and, at this stage, one should focus on becoming the caretaker of the society. He thanked the members of the management committee for giving him the right inputs that have helped in shaping the institution. In addition to that, he emphasised on the need to heal in a damaging society tackling the surge of influences that cause adversity. He said that AIMAAN would provide the right leverage needed to handle life in such circumstances. He asked the parents to check on their children every now and then and to spend quality time with them. He told the students to adapt to the new environment and understand the purpose that the Providence has bestowed on them.

Dr. Munafur Hussaina, Vice-Principal, Assistant Professor and Head, Department of Computer Science proposed the vote of thanks. Mrs. Fahameda Thabaseem, Head, Department of Computer Applications, gave the general instructions to the students. Nearly 330 students benefitted by this program. The program came to an end with National Anthem.
