Report

Name of the Program : Management Development Program
Date of the Program : 12.05.2025-16.05.2025

A five-day Management Development Program (MDP) was organized for the non-teaching staff of our college in collaboration with Shanthi Driving School. The aim of the program was to enhance administrative skills, improve campus operations, and promote a culture of safety and responsibility.

The sessions covered various aspects of workplace management, discipline, communication, and teamwork. On the final day, trainers from Shanthi Driving School delivered a special session based on the theme "**Safe Wheels, Happy Campus.**" They shared valuable insights on road safety, the importance of cautious driving, and safe transportation practices in an educational environment.

The trainers also conducted a live demonstration on **how to inspect a college bus before starting**—checking brakes, lights, mirrors, fuel, and other safety measures. This session was especially beneficial for transport staff and drivers, ensuring they are better equipped to maintain student safety.

Overall, the program was informative, practical, and well-received by all participants.
