The Internal Quality Assurance Cell (IQAC) in collaboration with the AIMAN Research and Development Cell and Central Library organized a one-day workshop titled "**Autocraft Essentials and A Beginner's Guide in One Day**" on 26.3.2025. The workshop aimed to equip participants with fundamental knowledge and practical skills in the field of Autocraft, introducing essential concepts and techniques for beginners interested in the domain.

The primary objectives of the workshop were:

- To introduce participants to the basic concepts and techniques of Autocraft.
- To provide hands-on training in crafting and developing simple models.
- To encourage creativity and innovation among students and faculty members.
- To familiarize participants with the tools and materials required for Autocraft.

The session was graced by the presence of **Dr.S.Kanagasundari, Librarian, AIMAN COLLEGE OF ARTS AND SCIENCE FOR WOMEN**, an expert in Autocraft and hands-on learning methodologies, who shared insights on the relevance of Autocraft in developing problem-solving skills and enhancing creativity.

The session covered:

- Basics of Autocraft and its applications.
- Introduction to tools and materials.
- Safety measures and best practices while working with craft tools.
- Demonstration of basic crafting techniques.
- Step-by-step guidance to create a beginner-level craft model.
- Troubleshooting common challenges in the crafting process.

Recognized by UGC under section 2(f) and 12(B) | ISO 9001:2015 Certified Institution | K.sathanur, Tiruchirappalli - 620 021.

A vibrant **Q&A session** followed the technical sessions, where participants had the opportunity to clarify their doubts and seek expert guidance on various aspects of Autocraft. The interaction encouraged participants to explore the subject further and apply the knowledge gained in future projects.

Feedback and Response

The workshop received an overwhelming response from participants, including students and faculty members. The feedback highlighted:

- Appreciation for the structured and engaging content.
- The effectiveness of hands-on activities in reinforcing theoretical concepts.
- A request for more advanced sessions in the future.

The workshop concluded with a valedictory session where Coordinator of AIMAAN Research and Development Cell, expressed gratitude to the resource persons, participants, and organizing committee.
