

AIMAN COLLEGE OF ARTS & SCIENCE FOR WOMEN CAREER GUIDANCE CELL

In order to make our students career a wider one we extended our efforts in making students to appear in Competitive Exam conducted by HireMee , From the 6th of January to 9th of January students participated in the Examination.

What does HireMee do?

HireMee is a free online assessment and placement assistance platform for college students.

As a part of the CSR effort, HireMee, a web portal and mobile application, connects the academic institutions with companies for faster and easier placements for graduating students pan India. HireMee app seamlessly links students, recruiters and colleges through computer based assessments to facilitate the recruitment process. Final year students from degree or diploma in engineering, humanities, sciences, commerce, business management and ITI are eligible to take up the assessment. The goal is to help recruiting firms discover talent among students in rural and urban colleges without any cost to the students, recruiters or the colleges.

What makes HireMee unique?

Special focus on reaching out to candidates in the interiors of the country. The industry is missing many of the rural talent as companies tend to ignore far-flung areas of the country due to limited budget, time, travel and other constraints. By offering free assessment to a million students and pro bono recruiting services, HireMee aspires to place 100,000 students this year.

How is HireMee assessment structured and administered?

The assessment is a 100-minute proctored computer-based-test for graduating students using HireMee proprietary assessment application that randomly draws questions from its quarter million strong question bank to test on the following skills

- 1. Verbal Aptitude**
- 2. Quantitative Aptitude**
- 3. Logical Reasoning**
- 4. Technical Computer Fundamentals**

5. Behavioral Aptitude / Personality
6. Communication
7. Technical Core Domain knowledge

Post assessment HireMee makes graduating students discoverable to recruiting companies based on their academics, topped up by HireMee's detailed multi-level assessment.

Academic – Industry Collaboration

HireMee advisory board consists of distinguished leaders from Titan, Cognizant Technologies, UGC, NASSCOM, IISc and NIIT.

Academic Associations

HireMee has entered into an MoU with the following education bodies – AICTE, DTE – Govt. of Karnataka, VTU – Belgaum, CCE, CTE – Govt. of Telangana.

Universities and Colleges include GITAM University, Jain University, Reva University, Sanjay Godhawat University and BMS College of Engineering to name a few among the over 1000 institutions.

For colleges: the link was given

<https://hiremee.co.in/college/register>

A total number of 30 students participated & were benefitted.
